My dear Mrs Sleech

The Month has again slipped round, and it is time for me to write and enclose a cheque, which I do with much pleasure –

We have had a week of fine – shine and you can't think how pleasant it has been, after all the rain we have had – The house has stood the weather splendidly, just a little leakage at first – The garden looks green

but my pulse of weeds, it is so
wet one cant do anything to it.—
Today the children have all re-
-turned to School, George to College,
now I hope he will work harder
than ever.—

Part of this month my house
has been quite full, but on the
1st of August I will have three
empty rooms—

Miss Lloyd will have told you
Mary Freeman has gone to rest
She has only ill a week, seriously to
for two days— They all seem
very much cut up—

Mrs. Fr. E. Tuttorch that married Miss
Christie has also gone—

Mrs. Pilkington has been very
ill, with Asthma & Bronchitis
combined, and in addition Neuralgia

in her bedroom, I hardly thought she would pull through, even from the coat dress, only her dressing gown, the evening she spends in George's room the afternoon in her own, so as to get as much sun as possible.

Frank Rutherford is to be married on Saturday the 28th inst. her travelling dress, or her wedding dress has not arrived in time. Mary Stuart is likely to be married Mr Brocklebank, her name will be about just smiles from Stellenbosch. Edith has not yet got another situation, she has applied for several.

I was so glad to hear from Miss Lucy Lloyd that Edith and Isabella were both so much better

With kindest Remembrances
to Family and the Girls
Believe me
Ever Sincerely Yours
W. H. Wright
