Dear Miss Bleek,

I was very sorry to hear that you have had such difficulties with the printing of your Bushman Dictionary.

If I have not answered your letter yet, it is because I have been busy with Professor Dike trying to find a solution to those difficulties and I hoped I might make some sort of suggestion.

As it is Dike has hired 3 or 4 printing presses

UNIVERSITEIT VAN DIE WITWATERSRAND.

Firms in Johannesburg. We
are still waiting for
results - I

This is, so to speak,
an interim report. I
shall let you know as
soon as I can, more about
our efforts.

Yours sincerely

L. + M. Ainsworth
