Dear Madam,

We have pleasure in enclosing
B/L covering the case we have shipped to
you containing the original drawings for
"MORE ROCK PAINTINGS".

We also enclose invoice for the
freight and insurance which is being
debited against the amount we have to your
credit. We may say that the ordinary in-
surance and the war risk insurance comprises
by far the greater part of this invoice.

We are, dear Madam,
Yours faithfully,

METHUEN & CO. LTD.
