

My darling - BC 151 CB 37 Port Hope -
Hoba's arrival with the
children from home did not
wake me, so she has been
back home 19 1/2 an hour
dearest - I am so sorry to have
been keeping you in all this
time waiting - I sent it at
once by post to see -
I conclude from it that
she refuses all offer to visit
her - but will come some
time to do of her own accord -
We must say ten you
see - if you like to order
any calman -
Your genuine -
