

I shall get some more,
for I thought it hardly
worth while to go on if
it were to no purpose

With kind regards

Yrs sincerely

My dear Miss Lloyd

I have at last
had an interview with
the woman we spoke of,
and I have taken down
several words, in some
cases when I asked her
for the Bushman of the
word a second time, she
gave something quite
different. Will you look
over what I have sent,
and tell me whether
it is of any use, if so
