Dear Miss Lloyd,

N<sup>o</sup> 7884 Klaar-Padi

has just now been discharged  
his time having expired. I  
endeavored to induce him  
to go out to you but he de-

he will set out for his own

process as means by which  
to render him obedient to in-  
structions. I am sorry for this  
as probably you wished to com-  
pare some of his native words  
with those of others.

The next to be set at liberty  
is 7910 Hendrik Roudabout  
the man in hospital, brother  
to Jan Roudabout, but he is  
so very ill that even if alive  
at that date there is no like-  
lihood of his being in a state  
to leave the hospital.

7880 Sam. Flat comes free

on 16 Dec<sup>r</sup> and him I will  
try to get out to you.

Mrs. Fisk joins me in kind  
regards to yourself & Mrs. Meek  
and Believe me

Truly Yours

Esq. H. P. Webb
